

ISS-Schrole Advantage is now here.

Join this custom-built recruiting ecosystem
for international schools and educators, and enjoy:

- An extensive database of high quality English-speaking candidates from across the globe
- An intelligent candidate management system, including the innovative **SmartMatch** and **ReferenceRubric** to facilitate finding, filtering, and hiring candidates
- An ability for candidates to apply directly to your school via the same system
- In-person recruitment events in Bangkok, Atlanta and San Francisco job fairs, plus iFairs®
- Personalized service from our recruitment team and technical support desk in the US and Australia
- Added digital advertising support for hard-to-fill placements
- Simple pricing with unlimited hires and no surprises
