

DELIVERING SUCCESS

From laptops to textbooks, from greenhouses to playgrounds, ISS School Supply helps international schools easily and efficiently obtain everything they need. Each year, we streamline purchasing for more than 100 schools around the globe, helping them save money and deliver an outstanding education. Whether negotiating prices with our vendors or tracking packages safely to your school, we strive to bring you a headache and hassle-free supply experience, all at a lower cost than any other consolidator.

We connect with more than 1,000 school supply vendors in North America, Europe, and Australia, including:

- Scholastic
- Woodwind and Brasswind
- Ward's Science/VWR International, LLC
- School Specialty
- McGraw Hill
- Follett Library Services
- Dick Blick
- PCM Sales
- Delta Education/Foss
- Frey Scientific
- Houghton Mifflin Harcourt
- Lakeshore
- Virco Furniture

The needs of an international school are as diverse as its students. ISS is your go-to source for school supplies, including:

- Classroom Supplies
- Computer Technology
- Furniture
- Lab Equipment
- Musical Instruments
- Sporting Goods
- Textbooks
- Digital Resources and Subscriptions

BENEFITS

of supplying with ISS

SINGLE POINT OF CONTACT

Instead of juggling multiple supply contacts, you'll work with a single dedicated ISS purchasing representative. We personally place and manage orders on your behalf, making sure they arrive safely at your school's doorstep.

TIME AND COST SAVINGS

ISS negotiates with our partner vendors, then passes significant discounts directly to your school. Our freight forwarder provides all necessary export documentation, helping to expedite clearance and delivery.

WAREHOUSING AND SHIPPING

ISS owns and operates a warehouse in New Jersey, USA, so our staff is able to oversee your orders in-person. We also use custom software to personally inventory and track all items. All materials shipped by ISS are insured.

PURCHASING EFFICIENCY

ISS immediately pays vendors upon receiving their invoices for you. We then consolidate your supply charges into a single monthly ISS invoice — helping your school spend less time filing multiple transactions, and more time supporting today's young leaders.
