Lower Primary Associate Principal

The Hong Kong International School (HKIS) seeks an experienced and engaging Associate Principal for its Lower Primary School. HKIS is a private, coeducational day school offering a challenging American-style curriculum with both international and multi-cultural elements. HKIS is proud of its strong sense of community and its students' excellent achievements.

Located in one of Asia's most vibrant and cosmopolitan cities, Hong Kong International School has two idyllic campuses on the quieter south side of Hong Kong Island. This August, the Lower Primary campus re-opened after a three-year redevelopment which culminated in a state-of-the-art educational facility for its youngest learners. Incorporating the latest in educational research, the innovative building design provides a dynamic early childhood learning environment which also includes an auditorium, wonder lab, indoor pool, and gymnasium.

The Associate Principal supports the Principal with the day to day leadership and management of the Lower Primary (serving 770 students from Pre-K through Grade 2). Primary responsibilities include supervision and evaluation of teachers; supporting best practices in instruction and assessment; development and implementation of curricular units; leadership for monitoring student learning through analysis of student learning data; participation in school-wide improvement committees, strategic plan initiatives, divisional committee work and other action areas.

The ideal candidate in this role will be someone who supports the Lower Primary Principal to lead and enable faculty and staff to achieve the school's vision of successfully providing the highest quality education for students in Pre-K through Grade 2. The Associate Principal would work collaboratively with faculty and parents to meet student needs, monitors progress toward school goals, and fosters a sense of community.
