ISS-Schrole Advantage is Now Available

ISS-Schrole Advantage, a custom-built recruiting ecosystem for international schools and educators officially launched on September 26, 2018. Members get access to an extensive database, an intelligent candidate management system, the ability to apply directly to schools through special links, plus in-person recruitment events and iFairs®. Schools and candidates are encouraged to [login and update their profiles](#) to ensure the most current and complete information is available.

Designing Agile Spaces: LEVEL 5, Bahrain

Parents, staff, and students at Riffa Views International School have participated in design sprints that will shape LEVEL 5, Bahrain. For inspiration about creating agile spaces at your school, [check out their padlet](#). Follow [@thelevel5](#) for updates and photos.

Advice for Aspiring Leaders from the Mary Anne Haas Women's Symposium

During the 2018 Symposium, we interviewed many of our delegates to learn about their unique journeys and experiences. Enjoy these features through our Words of Wisdom series. The first video features Maddy Hewitt, Executive Director of NESA. She discusses the joys and challenges of her work, and offers advice to aspiring women leaders. [Watch her video »](#)

Leading Educational Nonprofits Form "Critical Friendship"

AAIE moved its central office to ISS's Princeton headquarters, strengthening our long-time relationship and shared goal to further international education worldwide. [Read About ISS and AAIE »](#)

New ISS Website

We recently updated our website to showcase more videos and photos from the international school community.
