ISS-Schrole Advantage iFair® Hits Record Volume Numbers for International Education Recruitment

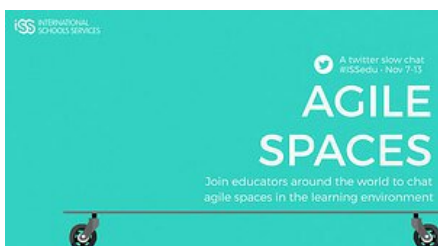

The iFair®, a virtual job fair for international educators, kicked off the season with enormous participation, recording record numbers for the start of the 2018-19 recruitment season. The November 17, 2018 iFair included an astounding 735 candidate registrations, more than 90% participation rate, 40 hiring schools, and 13,213 visits to the virtual school booths. Read all about the [iFair activity here](#).

Words of Wisdom: Tran Kim-Senior

Meet Tran Kim-Senior, delegate and speaker at the 2018 Women's Symposium. When we interviewed her this summer, she was the Coordinator of Intercultural Programs and Associate Dean of Admissions at the Lawrenceville School in NJ; today, she's the Associate Dean of Admissions at Episcopal High School, VA. In this installment to our Words of Wisdom interview series, Tran shares the challenges she's faced, the joy she finds mentoring students, and her wonderful advice to aspiring women leaders.

#ISSedu Twitter Slowchat Recap

During the slowchat every 24 hours we posed a question about agile spaces to our twitter community. We loved reading the diverse thoughts shared about learning spaces, and watching educators build off ideas across time zones. [Check out our blog post for highlights from practical low-cost tips and learning pedagogies.](#)

International Administrative Postings

The ISS Administrative Search team works with search committees at a variety of different international schools to fill leadership positions around the globe. Take a look at some of our current searches and learn more about these great opportunities.

Join #issedu for Hour of Code

December 3-9, 2018

Hour of Code™ is a great way to introduce PK12 students to the basis of coding.

December 3-9 join ISS schools around the world and [sign up](#) to run an Hour of Code. There are [a multitude of pre-built and age appropriate activities](#) that are ready to go. Enjoy

discovering and creating with your students and don't forget to share with #HourOfCode and #issedu!

The 'Hour of Code™' is a nationwide initiative by [Computer Science Education Week](#) and [Code.org](#) to introduce millions of students to one hour of computer science and computer programming.

November Edition of NewsLinks is now available.
