A CLOSER LOOK AT PROFILES

For Schools

Showcase school photos and details to help candidates learn who you are! You can post all your teaching, professional staff, and leadership job postings directly into ISS EDUrecruit®, streamlining your recruitment needs.

For Candidates

Showcase your qualifications, centralize records, and easily apply to multiple positions with profile features like:

- Smart, searchable criteria
- Confidential and detailed skills-based references
- Job-specific questions and comments, so you can share your unique point of view

Our Commitment

ISS EDUrecruit® does not permit candidate profile photos and references to native English speaker requirements, focusing instead on meaningful qualifications and criteria. Learn about ISS's ongoing DEIJ **commitments here** >>

A Brand New Season of International Recruitment Fairs

ISS EDUrecruit® job fairs are an excellent opportunity to network, learn about opportunities in international education, and find your next match.

ABOUT ISS: International Schools Services (ISS) works with more than 1,200 international schools and tens of thousands of educators each year across its suite of services, creating one of the largest global footprints in international education support. Since its inception in 1955, ISS has promoted innovative best practices. Core services include starting and operating student-centered, future-oriented schools; recruiting world-class educators and leaders; providing cutting-edge professional learning opportunities; sourcing essential school supplies; administering school foundations; and encouraging more diverse leadership in international schools. As a nonprofit organization with offices in Princeton, NJ USA and Shenzhen, China and staff located across the globe, ISS invites all to join in making a world of difference.
