

## ISS School Supply

Harness the power of **ISS School Supply** and the new **ISS Supply Marketplace** to simplify your school's supply process, save money, and equip your teachers and students with the high-quality resources they need to succeed every day. See where our ISS School Supply service can take you:

### Supply, Simplified

With help from ISS School Supply, dramatically reduce your staff's purchasing workload. The new ISS Supply Marketplace helps you efficiently coordinate your school's entire ordering process of best-in-class products and prices — all in one convenient portal.

### Maximize Your Budget

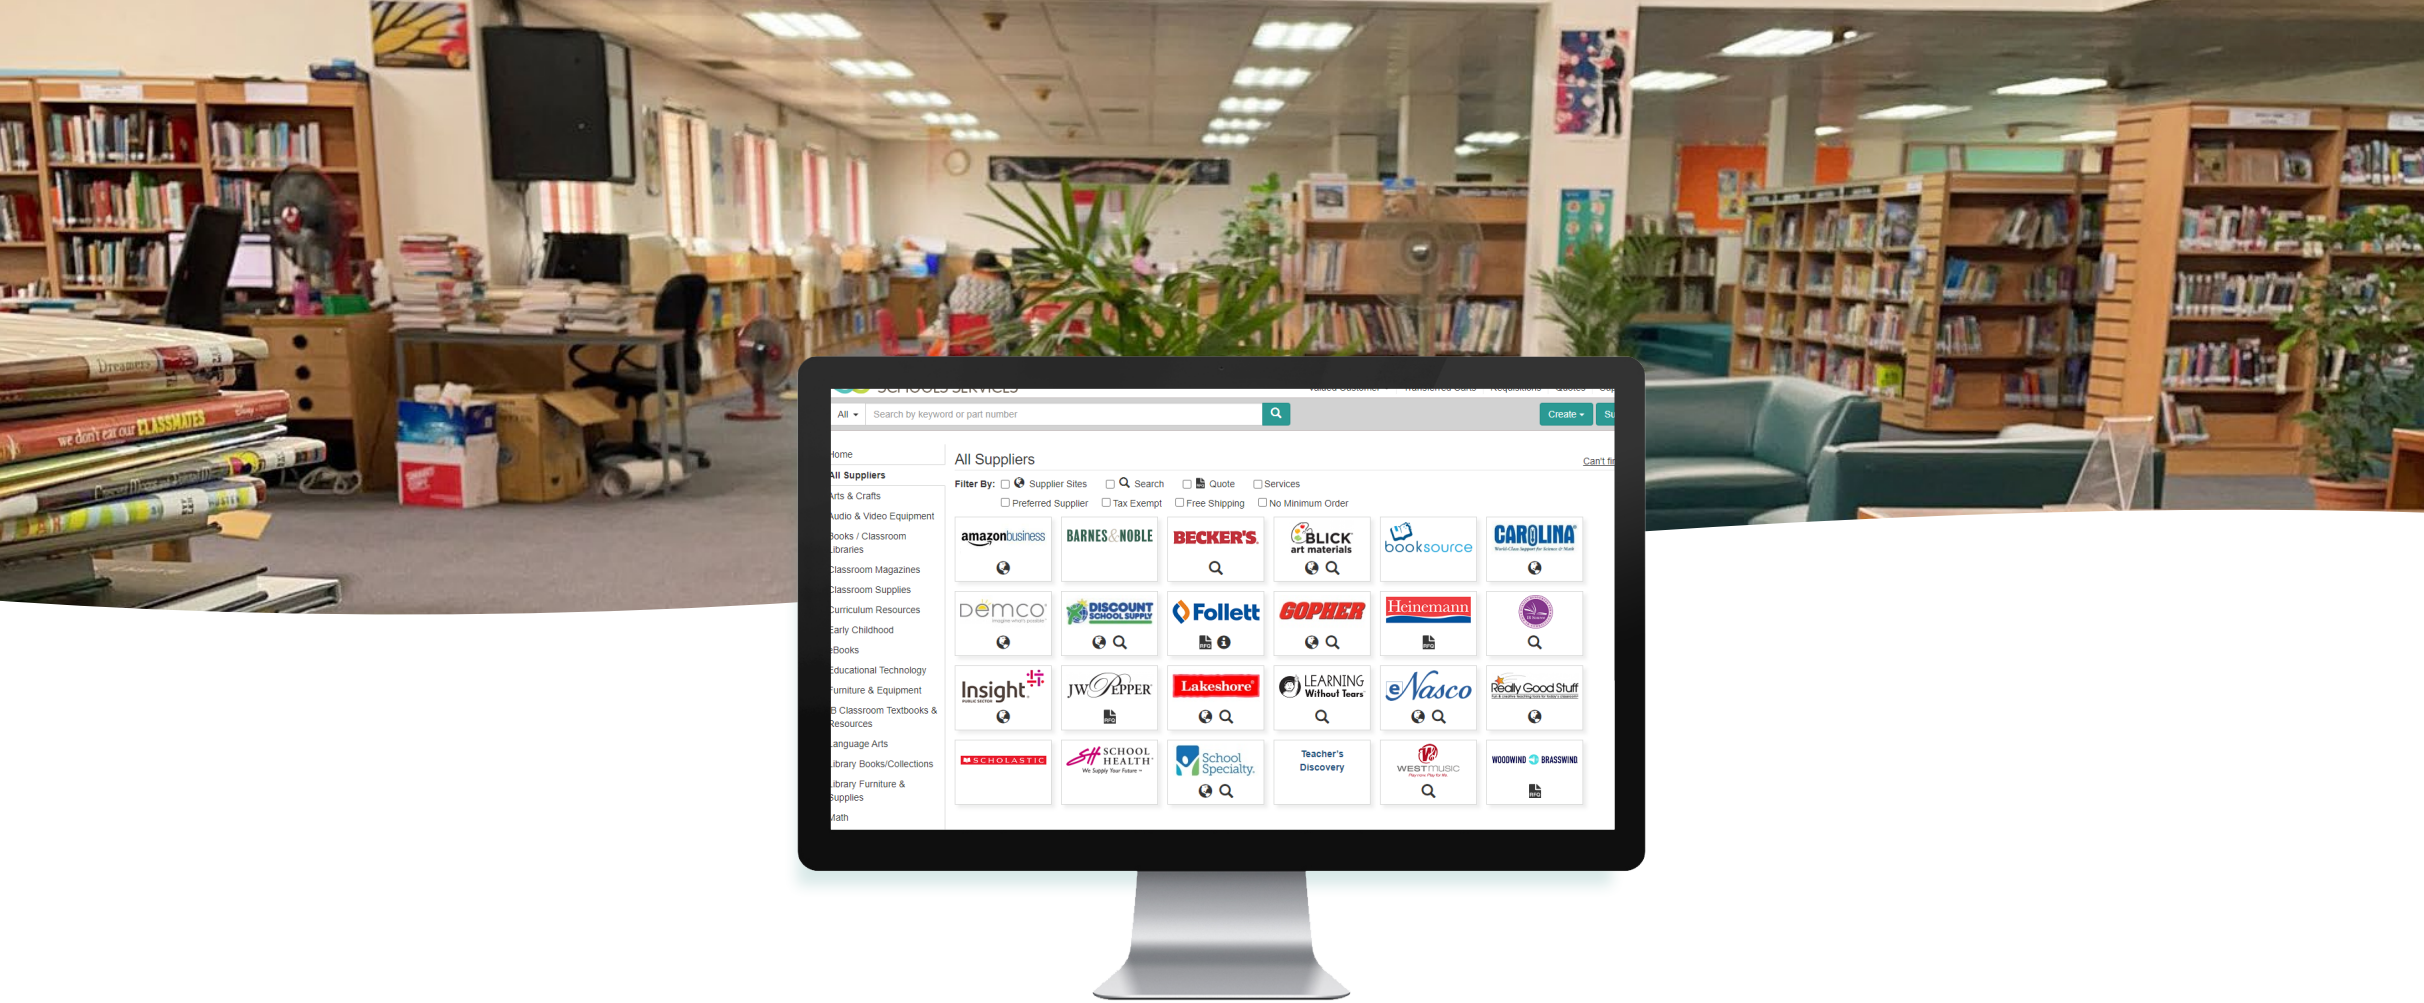

Navigating purchase orders, vendors, shipping and customs is not easy for any international institution. Our comprehensive international supply and delivery program streamlines your process, plus gives you incredible buying power that avoids the common overcharges of individual ordering.

### Delivering for Success

Our team consolidates and tracks your shipments for the fastest, most economical delivery. Count on your supplies arriving hassle-free, just as expected, and ready to support the learning of your school.

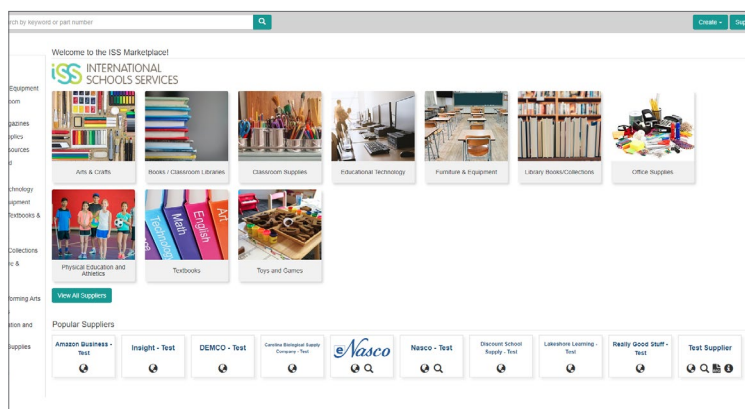

## Welcome to the ISS Supply Marketplace

Transform your school's school supply process with a brand-new online shopping experience for you to efficiently coordinate your school's entire ordering process— all in one place.

*The ISS Supply Marketplace*

## A World of Supply at Your Fingertips

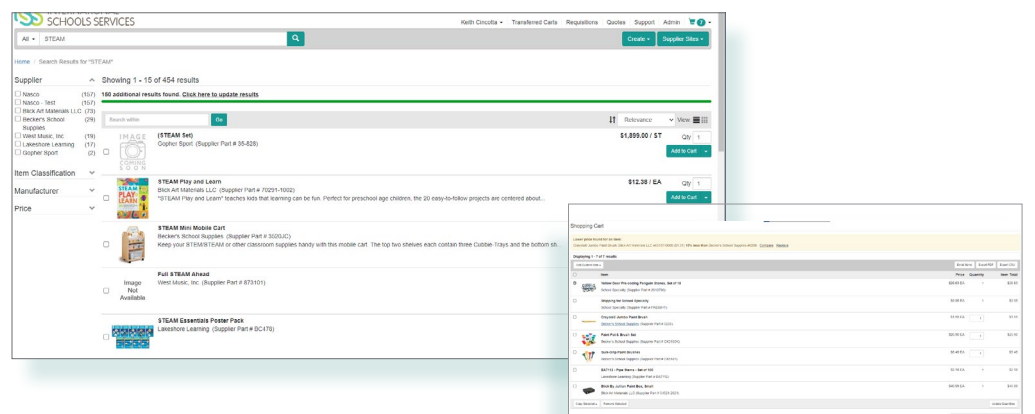

Discover a wide range of popular products, all negotiated with premier educational suppliers and vendors. **With no fee to join**, the ISS Supply Marketplace just offers great service, great prices, and a new level of ease. You and your staff are empowered to:

- Build, save, and submit shopping carts
- Comparison shop across best-in-class vendors, with real-time information on price, inventory, and shipping
- Automate school approvals
- Integrate with your school's ERP or accounting software upon request

## Simplified Billing and Payment

Your entire ISS Marketplace order can be handled through an automated Purchase Order process. Once you place an order, ISS can immediately begin procuring your desired items.

In addition, ISS pays all vendor invoices on the school's behalf, giving you one consolidated invoice and reducing the typical reconciliation and accounting burden.

*Categories and a sample shopping cart order*

ISS School Supply orders cover  
**1,000,000+**  
transportation miles yearly

On average, we negotiate  
**25-50% savings**  
off retail price

Our team navigates  
**100+ custom  
agencies**  
on international schools' behalf

## Simplify, Save, and Supply

Whether you are supplying a classroom of 10 or a school of 2,500, count on the ISS Supply Marketplace and our strong global infrastructure to get you high-quality supplies around the world.

### Full Service, from Order to Delivery

While our most popular vendors are in the ISS Supply Marketplace, we also work with over 1,000 vendors for special requests. From start to finish, ISS School Supply is ready to support all steps needed for an on-time arrival of your supplies:

- Convenient online ordering in the ISS Supply Marketplace
- Planning, negotiating, and purchasing
- Warehouse consolidation
- Accounts payable and billing
- Transportation and customs clearance assistance
- Delivery!

We consolidate your shipments for the fastest, most-economical delivery, navigating complex customs requirements. ISS's systems and personal attention allow you to track orders, address vendor backorders, and follow up to ensure delivery, just as expected.

## Meeting Your Needs from A-Z

ISS School Supply and the new ISS Supply Marketplace can help you outfit your school for success. Use this overview checklist to jumpstart organizing your orders!

### Overall School Life

From office materials to school nurse supplies, support day-to-day school life with your orders. If you're expecting strategic changes — e.g., enrollment increases, a curriculum review, or new technology initiatives — evaluate how your school year orders will adapt.

### General Classroom

Consider your classroom supply replenishment plans, including displays, consumables, and text books, both physical and digital.

### Library

Keep your collection of titles up to date, plus ensure your furniture and library layout are meeting the needs of your students.

### Indoor and Outdoor Furniture

Assess your indoor spaces to determine if you need to refresh basics like desks, chairs and benches. Also consider outdoor spaces and playgrounds may need new equipment like slides, swings, and structures.

### Science and Tech

Ensure your students are well-equipped for innovation and inquiry, from science laboratory equipment and PPE, to laptops and calculators.

### Makerspaces

ISS School Supply has seen and supported the increase of innovative, flexible, and tech-rich learning spaces. Consider agile furniture and tools like 3-D printers, robotics, audio and visual equipment, and more to complete your space.

### Uniforms

Assess your stock and sizing needs for next year, considering school uniforms as well as PE and sports uniforms.

### Performing and Visual Arts

Consider your supplies across the arts, including instruments that need replacing; refreshed ceramics, paints, and craft supplies; and any theatre equipment, costumes, or props the school needs.

### Sports Equipment

Consider equipment for the pool, field, and gym to support all levels of PE programs and sports activities.

### Special Requests

With ISS's vast network and purchasing experience, we're well-positioned to help you find hard-to-find orders for your school's unique needs.

## Customer Comments

"We had such a difficult time ordering from the US before finding International School Services (ISS)! As a school, we are so thankful that there's a company out there that understands the unique challenges that international schools face. We've had a great experience so far with ISS."

-Kari Hanlon, Kigali International Community School

"ISS has been, continues to be, and will always be a strategic and key partner for GWA. Not only we receive the best customer support but the logistical and financial impact on the school's operations is very significant (time and cost savings). Our partnership with ISS is a key factor of success."

-Brahim Amine, George Washington Academy

**ABOUT ISS:** As a nonprofit organization, International Schools Services (ISS) works with more than 800 international schools and tens of thousands of educators each year across its suite of services, creating the largest global footprint in international education support. Since its inception in 1955, ISS has promoted innovative best practices for global education. Core services include starting and operating student-centered, future-oriented schools; recruiting world-class educators and leaders; providing cutting-edge professional learning opportunities; sourcing essential school supplies; administering school foundations; and encouraging more diverse leadership in international schools. With offices in Princeton, NJ USA and Shenzhen, China and staff located across the globe, ISS invites all to join in making a world of difference.
