

Director, LEVEL 5

LEVEL 5 (www.thelevel5.org) is an innovation platform designed to spark change in schools. The Director, LEVEL 5 coordinates the program of events, operations, marketing and communication for the space. In addition, the Director builds productive partnerships and networks with schools, industry and other associations.

Responsibilities

1. Develop, supervise and schedule a programme of innovative, fee-based and free learning experiences that engage educators, students and members of the wider community.
2. Connects with industry and NGOs to create new opportunities for the wider community.
3. Collaborate with RVIS leadership, faculty and students to maximise engagement and use of the space.
4. Coordinate all day to day aspects of running LEVEL 5 including operational and MarCom elements.
5. Maintain capital and operational budgets and provide relevant reports.
6. Capture usage statistics and other success indicators.
7. Complete other tasks as assigned by the Chief Innovation Officer, ISS.

Competencies

- An educator with experience in creating innovative learning experiences and leading change across PK12 settings.
- A self starter and project manager who can take an idea from conception through to implementation.
- A strategic thinker who is able to develop productive partnerships with educators, administrators and the local community.
- A coach who can collaborate directly with educators to co-create innovative learning experiences.
- A facilitator that can host workshops across their own personal areas of interest or expertise.
- Strong communication skills with the ability to express ideas clearly both in written and oral communications.
- Commitment to the philosophy and mission of ISS
- Ability and willingness to work evenings and weekends
