

Cayman International School

Camana Bay, George Town, Grand Cayman

ABOUT CIS

Purchased by ISS in 2002, **Cayman International School (CIS)** is a private, college preparatory, non-sectarian, co-educational school for students from two years old through Grade 12, established to provide an American/International educational program for the dependents of the multi-national professionals living in Cayman. CIS helps students achieve academic and personal excellence and prepares them for higher education, all within an international environment that inspires learning, character and service.

MISSION

The CIS mission is to connect, inspire, and serve. They are a positive community with passionate learners.

CIS BY THE NUMBERS 2018-2019

Students: 650 | Nationalities represented: 40 | Faculty: 124 | Student to Faculty Ratio: 9:1

ACCREDITATION AND ACADEMIC PROGRAMS

CIS is accredited by the Middle States Association (MSA). The school is a member of the Association of the American Schools in South America (ASSA), the Common Ground Collaborative, Round Square, and Green Alliance Schools. CIS is an IB World School and is proud to offer the International Baccalaureate (IB) Diploma Programme to students in Grades 11 and 12, well-preparing them for the rigors of university courses.

FACULTY

The CIS faculty and staff consists of well-qualified U.S, British, Canadian, Jamaican citizens, Caymanians, and expatriates from 16 various additional countries.

CAMPUS AND FACILITIES

Students enjoy the swimming pool, gymnasium, tennis courts, first-rate athletic field, arts venues and state of the art technology. The CIS campus is the finest in the Caribbean, and it is growing; opening in August 2019, the new Early Childhood Center provides an extraordinary environment for our youngest learners to play, grow and learn, and the new High School building is designed for contemporary collaborative learning. The expansion increase the capacity of the school to nearly 1,100 and will maintain the small class sizes and positive culture that CIS is known for.

A HOLISTIC EDUCATION AT CIS

Cayman International School (CIS) re-imagines learning to better meet the needs of this generation. The school is designed to help children set important goals and develop through programs and opportunities like:

- **Service Learning:** Children at CIS are taught to look out for one another and the earth. As they get older, CIS students are given opportunities to participate in community activities that stretch their understanding about the world and about each other.
- **CIS Library:** The 30,000-volume collection includes fiction and non-fiction materials, print and digital reference resources, a variety of digital magazines, and non-print media.
- **Athletics:** CIS strives to provide opportunities for all of our students to participate in extracurricular athletics regardless of skill level or prior exposure to sports.
- **Guidance and Support:** CIS teachers and the guidance counselor strive to support students in their social, emotional, intellectual and physical aspects of their lives.
- **Arts:** Students engage in visual arts, performing arts, and art through technology. Throughout the school year, a variety of concerts, plays and art shows are put on for the school community.
- **Activities and Clubs:** CIS offers a wide variety of extra curricular activities for its students and usually include offerings that will enhance academic programs and utilize the wonderful outdoor sports facilities.
- **Technology:** CIS continues to upgrade classroom technologies to create flexible learning environments. The Makerspace in the STEAM lab includes equipment like a laser cutter, LEGO robotics kits, Adobe Suite software, green screen technology, 3D printers, DSLR cameras and more.
