A HOLISTIC EDUCATION AT ISD

The academic program at the International School of Dongguan (ISD) provides a solid foundation of skills and concepts in language arts, math, social studies, science, technology, and the arts. Special subjects including music, art, PE, drama, and an additional language enrich and extend student learning. With over 70 extracurricular options, ISD encourages students to develop and thrive through opportunities like:

- **School Counseling:** School counselors help every student improve academic achievement, personal and social development, and career planning.
- **After School Activities:** The After School Activities (ASA) at ISD offers an array of optional extracurricular activities for students from grades K-12, including programs like Robotics, Painting, Physics Club, Kendo, Flower Arrangements, Drumming, Cooking, Tennis, Baseball, and more.
- **Athletics:** ISD is committed to fostering student athletic talent in both our physical education classes and extended day programs.
- **Visual Arts:** Visual arts are an essential part of the ISD's curriculum with an emphasis for offering a balanced and broad programme that fosters innovation, creativity, self-expression, and confidence
- **Music:** The ISD Music Program follows the National Association for Music Education's Music Standards. ISD students are often invited to perform at a variety of performance venues in Dongguan.
- **Time management support:** Upper School students are use Managebac to manage classroom assignments and events, and to receive class messages from their teachers.
- **Library:** The library serves the entire ISD community and functions as the information literacy and inquiry hub of the school.
