

## Sias International School

Zhengzhou, Henan, China

### ABOUT SIAS INTERNATIONAL SCHOOL

International Schools Services (ISS) is teaming with Sias International University in Zhengzhou, Henan Province, to create **Sias International School (Sias)**, a new K-12 international school will provide high quality English language Western education to foreign students, including boarding students. Scheduled to open in August 2020, the school will emphasize rigorous education, innovation, creativity, and the comprehensive development of students.

### MISSION

At Sias International School, East meets West to educate and inspire students to be well balanced with a strong mind, body and spirit, prepared for academic excellence and innovative leadership in an ever-advancing, interconnected and technological world.

OPENING AUGUST 2020

### ACADEMIC PROGRAMS AND ACCREDITATION

Sias will provide English-language Western education to foreign students (including boarding students) and an academic curricula adapted from the US Common Core, integrated with the LeaderInMe program, and blended with the best of Eastern pedagogy. Sias will apply for full Western Academy of Schools and Colleges (WASC) accreditation as soon as it is permitted to do so after opening in August 2020.

### FACULTY

Sias staff will be passionate about student learning outcomes and focusing on the whole child development and welfare. Minimum hiring criteria will include a university degree in the subject area to be taught, as well as a Bachelor of Education from a recognized western university and a professional teaching license.

### CAMPUS AND FACILITIES

The 6+ hectare campus with a total building area of about 90,000 square meters, With indoor and outdoor learning spaces with two swimming pools, double-court gymnasium, first-rate athletic field, outdoor green spaces, performing arts venues and state-of-the-art technology, the campus will be the finest in Henan Province. Boarding facilities will be spacious and secure.

## A HOLISTIC EDUCATION AT SIAS

In addition to learning through their strong academic program, Sias International School students will grow as global citizens, thinkers, and leaders through a broad range of activities and opportunities, such as:

- **Sports Program:** Sias will offer both recreational and competitive sports activities, involving individual or small team pursuits such as rock-wall climbing, gymnastics, badminton, archery, tennis, and swimming.
- **Creative and Performing Arts:** The creative and performing arts co-curricular program will offer opportunities for students to experiment in areas such as singing, dancing, music, drama, comedy, painting, sculpting, poetry, creative writing and a variety of other possibilities.
- **Co-curricular activities:** Sias will offer a wide range activities after the school day. Co-curricular activities include a variety of fitness activities, arts activities, and community and service learning activities.
- **Technology:** At Sias, tech will be used to create strong learning environments. This will include laptops, tablets, music synthesizers, video editors, as well as augmented reality (AR), virtual reality (VR), and artificial intelligence (AI).
- **International Mindedness:** As Sias fosters 21st Century Learners and global citizens, students will be encouraged to fluency in more than one language, to approach their learning creatively, to interact and engage with people of other traditions, and to act responsibly for a sustainable and harmonious world.
